Medical Advisor to the Board of Directors
Vasectomy Support Foundation, Inc.
903 Swann Avenue, P.O. Box 1234; Tampa, Florida 33606
2000-2003

Accomplishments: - 2000: Helped to establish the Vasectomy Support Foundation, Inc., a not-for-profit organization that directed men to sources of vasectomy funding and helped low-income men with no other funding source pay for vasectomy services, thereby eliminating financial barriers to dependable long-term family planning.
- 2005: Supervised the first No-Needle Vasectomies ever performed in Europe with Dr. Jose Viladoms and colleagues at Centro Medico Teknon in Barcelona, Spain.
- 2006: Performed the First Intra Vas Device (IVD) Procedure in the United States as part of the Intra Vas Device Clinical Study.
- 2013: Central Character: "The Vasectomist" Documentary
- 2013-2019: Co-Founder, World Vasectomy Day (www.worldvasectomyday.org)
- 2010-2019: Multiple Vasectomy Missions to the Philippines, Haiti and Kenya (www.NSVI.org)
>44,000 vasectomies and >1750 vasectomy reversals as of May 2019

Awards: 2003 Outstanding Clinician Award Recipient, 31st National Conference, National Family Planning and Reproductive Health Association (www.nfprha.org) in Washington, D.C., for work to educate men and their partners about the no-scalpel vasectomy procedure and to promote and improve its accessibility and affordability.

Publications & Presentations: Dattoli M, Wallner K, True L, Sorace R, Koval J, Cash J, Acosta R, Biswas M, Binder M, Sullivan B, Lastarria E, Kirwan N, and Stein D. Prognostic Role of Serum Prostatic Acid Phosphatase for ¹⁰³Pd-Based Radiation for Prostatic Carcinoma. *Int. J. Radiation Oncology Biol. Phys.* 45(4): 853-6, 1999.
