

# JOHN CURINGTON, MD

Senior Vasectomist and Trainer

941-216-1212 | JCurington@greatvas.com | Sarasota, Florida

## Professional Profile

Experienced reproductive health physician, vasectomy specialist, educator, and international trainer. Provides vasectomy services in Florida and internationally using advanced no-scalpel techniques. Has performed more than 20,000 vasectomies and regularly teaches physicians through conferences, workshops, and clinical training programs.

## Professional Experience

### **Vasectomist, Gentle Vasectomy Center of Sarasota | 2023–Present**

Provides office-based vasectomy services using advanced no-scalpel, no-needle techniques. Volunteers internationally and lectures extensively on vasectomy and reproductive health. Manages own office and advises trainees.

### **Vasectomist, Vasectomy and Reversal Centers of Florida | 2016–2023**

Provided vasectomy services at multiple Florida locations and assisted with physician training and education.

### **Contraception Trainer, UCSF | 2016–2022**

Traveled nationally with University of California training teams, teaching evidence-based contraceptive techniques and reproductive healthcare.

### **Reproductive Health Physician, Planned Parenthood | 2000–Present**

Provided reproductive healthcare services across multiple Planned Parenthood affiliates. Roles included Clinical Instructor, Associate Medical Director, Director of Vasectomy Services, and contracted vasectomy provider.

### **Family Medicine Physician, One Medical | 2015**

Provided comprehensive family medicine and office-based procedural services in New York City.

### **Assistant Clinical Professor, UCSD School of Medicine | 2011–2014**

Taught genetics and problem-based learning while serving as volunteer attending physician at community free clinics.

**Family Medicine Physician, UCSD Student Health | 2008–2011**

Provided primary care and urgent care services.

**Family Medicine Physician, Harvard University Health Services | 2008–2011**

Provided urgent and after-hours care for students, faculty, and staff.

**Emergency Physician, Warrack Hospital | 2000–2002**

Practiced emergency medicine in a busy community hospital.

**Resident Physician, Community Hospital of Sonoma County | 1997–2000**

Completed Family Medicine residency with a strong emphasis on care for underserved populations.

**Education**

Santa Rosa Family Medicine Program - Residency, 2000

UC Davis School of Medicine - MD, 1997
