Medical Advisor to the Board of Directors  
Vasectomy Support Foundation, Inc.  
903 Swann Avenue, P.O. Box 1234; Tampa, Florida 33606  
2000-2003

Accomplishments: - 2000: Helped to establish the Vasectomy Support Foundation, Inc., a not-for-profit organization that directed men to sources of vasectomy funding and helped low-income men with no other funding source pay for vasectomy services, thereby eliminating financial barriers to dependable long-term family planning.  
- 2005: Supervised the first No-Needle Vasectomies ever performed in Europe with Dr. Jose Viladoms and colleagues at Centro Medico Teknon in Barcelona, Spain.  
- 2006: Principal Investigator - Performed the First Intra Vas Device (IVD) Procedure

in the United States as part of the Intra Vas Device Clinical Study.

- 2013: Central Character: "The Vasectomist" Documentary
  - 2013-2025: Co-Founder, World Vasectomy Day ([www.worldvasectomyday.org](http://www.worldvasectomyday.org))
  - 2010-2021: Multiple Vasectomy Missions to the Philippines, Haiti, and Kenya;
  - 2015-2025: World Vasectomy Day Training missions to Indonesia, Mexico, Columbia, Zambia, Bolivia, and Argentina ([www.NSVI.org](http://www.NSVI.org))
  - 2025-2026: Investigator – Early Feasibility and Safety Evaluation of Plan A™ Male Contraceptive System
- >46,000 vasectomies and >2000 vasectomy reversals as of July 2026
